Dr. Contino called the meeting to order at 9:03 a.m. The Board introduced themselves to the public.

REVIEW OF MINUTES (March 19, 2014)

The Board reviewed the minutes of the March 19, 2014 meeting. Mr. Sanders made a motion, seconded by Mr. Price, to approve the minutes. By majority vote, the motion carried, with Mr. Deputy abstaining.

ADOPTION OF THE AGENDA

Dr. Contino said Mr. David Mangler requested to discuss agenda item #9.6.2 'Composition of the Board' at the beginning of the Board meeting. The Board approved the change and Mr. Deputy made a motion, seconded by Mr. Price, to adopt the amended agenda as modified. By unanimous vote, the motion carried.

COMPOSITION OF THE BOARD

Mr. Mangler reported he was contacted by the Governor's office about the possibility of redistributing two LPN positions on the Board. He talked about the difficulty in filling the positions when no LPNs have applied for the vacancies. The suggestion was made to fill the 2nd LPN vacancy with a RN position. Mr. Price suggested the position be filled with an APN position, or make it a 'floating' position by filling it with an LPN, RN, or APN position depending on what positions applicants hold at the time of a vacancy. Mr. Mangler suggested an 'at-large' designation which could be either a RN or LPN. Mr. Price stated the knowledge of LPNs regarding nursing homes and long-term care was quite valuable. Mr. Mangler asked Ms. Bradley her thoughts as a current LPN Board member. Ms. Bradley said scheduling time off is a big issue for LPNs; however, she liked the idea that the positions can 'float'

between LPN and RN positions. Mr. Mangler said he felt RNs might have scheduling conflicts as well. Ms. Halpern stated she agreed with Mr. Price about the long-term care and home care experience of LPNs. Mr. Mangler said there were many questions by Senate members the last time the Board changed the composition. Ms. Halpern asked if the Board could make recommendations when the Governor's office is filling vacancies and was told 'yes' by Mr. Mangler. Mr. Price said Ms. Lydia Prigg, who is the Director of Boards and Commissions with the Governor's office, does a great job in filling the positions on the Board. Mr. Price made a motion, seconded by Ms. Nellius, to approve a change in the composition to have one LPN of the current two LPN positions on the Board changed to one nurse 'at large' (either RN or LPN) position. By unanimous vote, the motion carried.

ACTIVITIES REPORT

Dr. Zickafoose reported the number and types of active licenses as of April 8, 2014.

RN = 16,062 (RN permits = 16; GN permits = 4)

LPN = 2652 (LPN permits = 3)

APN = 1348 (APN permits = 4)

Advanced Practice Nurses: NP = 849; CRNA = 332; CNS = 182; CNM = 35

Total permits = 27

Total Active Licenses = 20,062

UNFINISHED BUSINESS

Endorsement Language

Dr. Zickafoose reminded the Board of the rule change discussed at the last meeting regarding changes to the endorsement language in the Rules and Regulations. She then reviewed the suggested changes. Ms. Halpern made a motion, seconded by Ms. Tyranski, to move forward with the regulation change process. By unanimous vote, the motion carried.

Deliberations on Rules and Regulations Hearings from March Board Meeting

Ms. Singh reminded the Board they held a public hearing at the March 2014 Board meeting regarding regulation changes to 6.6.1.5, 6.8.5, 6.9.2, and 2.4.1.5. She summarized the proposed changes and said no comments were received. After deliberations, Dr. Lomax made a motion, seconded by Ms. Bradley, to approve the proposed regulation changes. By unanimous vote, the motion carried.

Denial of Licensure

Ms. Mercer, Ms. Carmichael, and Ms. DeVos were all previously denied licensure with a right for a hearing; however, no hearing was requested.

Nicole Mercer – After Board discussion, Mr. Sanders made a motion, seconded by Mr. Price, to deny licensure for Ms. Mercer. By unanimous vote, the motion carried.

Lynn Carmichael – After Board discussion, Mr. Salati made a motion, seconded by Ms. Bradley, to deny licensure for Ms. Carmichael. By unanimous vote, the motion carried.

Susan DeVos – After Board discussion, Ms. Halpern made a motion, seconded by Dr. Lomax, to deny licensure for Ms. DeVos. By unanimous vote, the motion carried.

COMMITTEE REPORTS

APN Committee: Mr. Price said he talked with Senator Blevins who consulted with Senator Hall-Long and Representative Walker about the Consensus Model bill. It was their suggestion and the committee's decision to postpone introduction of the bill until the next legislative session.

Mr. Price said he received a copy of a report from the American Association of Colleges of Nursing (AACN) from Dr. Zickafoose, which gives insight into Delaware's Nursing Education 'at a glance'. He then gave some of the reported statistics, such as the nine nursing fields that are currently facing shortages. Mr. Price said he distributed copies of this report to all Senators and Representatives during a recent AANA trip to Washington, DC, and he plans to share this with Senator Blevins as well. Mr. Price stated Delaware has not received as much Title 8 funding as their counterparts in other states, so students need to contact their representative in Washington, DC. Dr. Zickafoose said the legislative session ends in June 2014 and the next session starts in January 2015. Mr. Price said that while his current term of service to the Board expires currently, he offered to remain as a member on the APN Committee to continue to support the bill. He said he and Dr. Zickafoose will be going to Chicago on April 22nd for the State of Consensus meeting. He will give an update at the next meeting.

PRESIDENT'S REPORT

Dr. Contino said the National Council instituted a new NCLEX-PN plan on April 1st and he reminded the audience that it changes every three years. He talked about recent legislation in other states; such as, Iowa's Governor recently signing a bill authorizing the use of ARNPs (Advanced RN Practitioners), Indiana's Medical Licensure Board providing tele-health in their state, Michigan granting temporary permits to Canadian nurses to practice in their state while waiting for certification, and Utah adding language to the Nurse Practice Act regarding volunteer hours for retired nurses. Mr. Price talked about a situation in Florida where a physician testified before their House and Senate and resulting in legislation passed that allows APNs to work independently. He stated the Board of Nursing needs a physician champion in DE.

EXECUTIVE DIRECTOR'S REPORT

Dr. Zickafoose said the NCSBN is participating in a Tri-Regulator Collaborative, along with the Federation of State Medical Boards and the National Association of Boards of Pharmacy, who recently held a meeting and developed two collaborative position statements: one on "Interprofessional, Team-based Patient Care," and the other on "Practice Location for Consumer Protection." This advocacy partnership was formalized in 2011 and combined they regulate 5 million physicians, pharmacists, and nurses in the US. Dr. Zickafoose checked NURSUS and found that there were over four million licensed nurses.

The American Nurses Association held a summit on 3/21/14 to address licensure jurisdiction for cross-border nursing practice. Dr. Zickafoose read the final talking points from this meeting. She also advised the Board that Sigma Theta Tau International Honor Society of Nursing announced the creation of the Global Advisory Panel on the Future of Nursing. Lastly, the NCLEX Conference will be in Charlotte, NC September 28-29th, 2014. Anyone interested should let Dr. Zickafoose know and she will send the waiver request. Dr. Contino requested to attend this meeting.

HEARINGS/CONSENT AGREEMENTS – RATIFICATION & SIGNATURE

Consent Agreement(s)

Gerda Crowley, RN – Board members reviewed the recommendation from the Hearing Officer with Ms. Singh describing the sanctions. Ms. Singh reminded the Board it is the second time the consent has been given to them for review. After Board discussion Mr. Salati made a motion, seconded by Ms. Halpern, to reject the Consent Agreement based on numerous inaccuracies within the agreement. Dr. Contino requested language be included requiring the CEs be earned within 90 days from the date the order is signed. By unanimous vote, the motion carried.

The Board recessed from 10:10 a.m. until 10:25 a.m.

Hearing Officer Recommendations

Kathleen Jester, RN – Board members reviewed the recommendation from the Hearing Officer with Ms. Singh describing the sanctions. After Board discussion Mr. Sanders made a motion, seconded by Mr. Salati, to accept the Hearing Officer Recommendations with modifications. By majority vote, the motion carried, with Mr. Deputy recusing. After the vote, Ms. Jester stood up in the audience and asked permission to speak with the Board. Dr. Contino reminded Ms. Jester that when she received her Hearing Officer Recommendation in the mail that she had 20 days to respond to the Board and did not exercise that option. He polled the Board for their wishes to grant Ms. Jester her request to speak with them and the Board agreed to the request. Ms. Jester spoke to the Board and stated what she felt were inaccuracies in the Hearing Officer Recommendation. The Board did not reply to Ms. Jester.

Talisa Burris, RN – Board members reviewed the recommendation from the Hearing Officer with Ms. Singh describing the sanctions. Ms. Singh stated that Ms. Burris had requested to speak before the Board; however, she did not appear for the meeting at any time during the day. After considerable Board discussion, Mr. Deputy made a motion, seconded by Mr. Price, to accept the Hearing Officer

Recommendation; however, they rejected the conclusions of law as they pertained to Title 16. By majority vote, the motion carried, with Mr. Salati recusing, and Ms. Halpern voting no.

RULES AND REGULATIONS PUBLIC HEARING

See attachment at the end of this report.

DISCIPLINARY HEARINGS

Dr. Zickafoose said for the past several years the Hearing Panel has not had a formal disciplinary hearing. She asked if they would like to hold panel hearings again, which would give the Hearing Officers and Attorneys General an opportunity to attend the hearings. She suggested it might offer insight into the process and reduce modifications made to disciplinary reports. Of course, certain types of hearings need to go before the entire Board; however, scope of practice hearings, for example, can be heard by the Panel. Dr. Contino suggested the Board leave this up to Dr. Zickafoose's discretion, whether or not to schedule them before the entire Board or only the panel.

LEGISLATIVE UPDATE

Endorsement Language

This was discussed at the beginning of the meeting under Unfinished Business.

Composition of the Board

This was discussed at the beginning of the meeting by Mr. David Mangler, Director of the Division of Professional Regulations.

PRACTICE ISSUES

Denise Larson, APN

Dr. Zickafoose said Ms. Larson has a degree in Health Promotion and is working under a temporary permit gaining the practice hours and awaiting the certification exam. Ms. Larson took the Public Health exam and was not successful. Rules for APNs state that upon failure of the 1st certifying exam, the temporary permit will be withdrawn. However, she may petition the Board to extend her temporary permit provided she supplies the necessary documentation. Ms. Larson submitted a letter from Ms. Williams at Beebe, which stated she knows the job description and has a collaborative agreement for Ms. Larson. Dr. Zickafoose recommended continuing her temporary permit until she passes the exam, which can be taken up until July 31, 2014. Mr. Salati made a motion, seconded by Mr. Price, to allow Ms. Larson to maintain her temporary permit. By majority vote, the motion passed, with Dr. Contino recusing.

EDUCATIONAL ISSUES

CEU Institute CE Provider Renewal

Dr. Zickafoose brought before the Board an application for renewal and said the packet they submitted was nicely done. She said she asked the CEU Institute if they provide topics specific to nursing, and if the list of attendees reflected nurse attendance. They replied that the CEs were for licensees in the

healthcare industry; most of the attendees were nurses. Dr. Zickafoose recommended renewing their provider status in Delaware. Ms. Tyranski made a motion, seconded by Ms. Nellius, to renew provider status to the CEU Institute. By unanimous vote, the motion carried.
